PORTLAND, ORE., Nov. 4.—The latest election news gives a clear republican majority west of the Cascade Mountains of 1,000. This includes the southern

visit last Friday night, and remained counties. In counties east of the mountains the democratic majority is not likely to be over 700, and willinot exceed 800 at most. Allowing for all possible errors in estimates for parts of counties not yet reported, the republi-can majority can not fall below 300. Iowa, is visiting his father's family Most of these figures are based on actual returns. The state is sure for the republicans, though by a majority less than was expected.
